Well after the threatening weather casts for the weekend, 15 cowboys arrived for day 2. The weather was wonderful, little wind, just the right temp, and just a peek of sunshine. It was nice. Boots Fits, continuing the trouncing of the field of yesterday, took the top place. Tinsleep, recovering from gun troubles, yesterday, was hot on his heels. Goose was attacked by Henrietta and limped into third. Tru Wolf, now showing his tru colors, was fourth. A relatively new shooter, A.C Sparks was shooting great. Kate continued to smoke up the place; making scoring, more auditory than visual. Shorty contiued to impress. A great day to shoot.
