The weather looked cold, but in the end was just blustery 10 cowboys assembled in the Big Pasture for yet another shoot. Goose, making amends for his meltdown at the Duel managed to nip a rejuvenated Redleg Reilly. Cole Creek has caught fire recently and is moving up, but a couple of uncharacteristic misses slowed him down. Gringo Green returned and was in contention as well. RB Rooson and Nick Cisco duked it out one-handed again, with old age and treachery winning out over youth and good eyes. Capt. Buzzard and Doc Bryan (shooting a new shotgun) are improving steadily. A pretty good day overall.

The next shoot will be NEXT Sunday, November 19th 20th at 10:00am. We will hold a LONG RANGE MATCH on Saturday the 18th ( the day before the Sunday shoot), 10-1 sighting in, With "shoot for score" at beginning at 1 pm.
